Dear Community Member,

The Shepparton Young Instrumentalists Award is a community initiative held annually that provides an opportunity for young musicians in the Goulburn Valley and surrounds to participate in a high quality music competition. Our aim is to give Regional students a performance experience that is equal to the competition experience available to Metropolitan students. Now in our 9<sup>th</sup> year, the SYIA is growing in success and participation each year.

This year the competition will be held on the **31<sup>st</sup> of August, 2019.**

**When: Saturday 31<sup>st</sup> of August, 2019**

**Where: Riverlinks Eastbank, 70 Welsford Street, Shepparton.**

This competition not only gives students the opportunity to perform in front of an audience but it helps them build confidence, further their learning and teaches them performance etiquette. It allows them to receive feedback on how to improve on their instrumental or vocal skills from our highly qualified adjudicators. It gives students from all schools in our area the chance to hear each other play and experience their peers' music performances.

It is not possible for us to provide this event for students without the generous support from the community. Each of our donors, large and small, are recognised in our program and verbally in the sections that they have donated towards on the day of competition.

The Shepparton Young Instrumentalists Award is open to students up to the age of 19 years on Piano, Strings, Brass, Woodwind, Percussion and Voice. You can choose to sponsor a specific section, or the committee can allocate your donation where it is needed. A sponsorship of one section is either \$60, \$80 or \$100, and larger sponsors provide our grand prize of \$250 - \$500. Each instrument also has a \$50 prize for 'Most Promising' and \$50 for 'Stage Presence'. Any amount is gratefully received. Please ask us for further information about specific instrument categories or sections.

If you are willing to help support local young musicians in this competition please see the attached donation form. Donations can be made in cash to a committee member, by cheque made out to the **Shepparton Competition Society Inc**, or by bank deposit using our Account number and BSB.

Kind regards,

Shepparton Competition Society,  
Shepparton Young Instrumentalists Award.
